TallyPrime Godown Practice PDF (Inventory)

This practice PDF is designed for beginners to practice Godown (Warehouse) creation and usage in TallyPrime Inventory.

Practice Instructions:

- Enable Inventory and Multiple Godowns in F11 (Features).
- Create Godowns as per the list given below.
- Create Stock Items and assign opening stock Godown-wise.
- Check Godown-wise Stock Summary report.

Practice – Godown Creation:

Sr.	Godown Name	Under
1	Main Godown	Primary
2	Shop Godown	Main Godown
3	Warehouse Delhi	Main Godown
4	Warehouse Indore	Main Godown

Practice – Stock Allocation (Godown-wise):

Stock Item	Godown	Quantity
Samsung Mobile	Shop Godown	20 Nos
HP Laptop	Warehouse Delhi	10 Nos
Mobile Charger	Warehouse Indore	50 Nos
A4 Paper	Main Godown	30 Box

Note: Godown-wise stock allocation helps in better inventory control and location-wise reporting.
