

TallyPrime Inventory Practice PDF (Stock Groups & Stock Items)

This practice PDF is designed for beginners to practice Inventory Masters in TallyPrime, including Stock Groups and Stock Items.

Practice Instructions:

- Enable Inventory in F11 (Features).
- Create required Units of Measure (Nos, Box, Kg).
- Create Stock Groups as given below.
- Create Stock Items under correct Stock Groups.
- Check Stock Summary after completion.

Practice – Stock Groups:

| Sr. | Stock Group Name | Under |
|-----|------------------|-------------|
| 1 | Electronics | Primary |
| 2 | Mobile Phones | Electronics |
| 3 | Laptops | Electronics |
| 4 | Accessories | Electronics |
| 5 | Stationery | Primary |

Practice – Stock Items:

| Sr. | Stock Item Name | Stock Group | Unit |
|-----|-----------------|---------------|------|
| 1 | Samsung Mobile | Mobile Phones | Nos |
| 2 | HP Laptop | Laptops | Nos |
| 3 | Mobile Charger | Accessories | Nos |
| 4 | A4 Paper | Stationery | Box |
| 5 | Pen | Stationery | Nos |

Note: Ensure correct units and groups are selected to get accurate stock reports.
